

SUNDAY SCHOOL AT 9:45 AND 11:00

CHILDREN'S CLASSES in the Children's Wing

Our Children's Sunday school currently uses the Rock Solid curriculum. This curriculum provides our children with a dynamic and engaging way to learn about growing and developing their faith and the Bible. Our Sunday school program always consists of a Bible lesson and an activity to further engage their learning experience. Activities we often take part in are: crafts, games, field trips, movies and much more! At St. Luke Simpson UMC we are committed to our children's Christian Education.
